

ADS-B Essentials

The January 2020 ADS-B mandate is getting closer and the FAA wants all aircraft flying in the U.S. to be equipped with ADS-B out. Pilots need to know what ADS-B system and options fits their type of flying, costs, applications, and in some cases, whether they really need to comply.

Directions: This free safety seminar is part of the 3 day Flying Aviation Expo. For more information and admission please visit: www.Aviation-Xpo.com
